Research Methods

Entry Requirements

- Successful graduates of the LSBM/Edexcel Advanced Diploma in Business who have obtained a mark of 50% in at least four modules or;
- Any other qualification previously accepted by the University of Wales.
- For students whose first language is not English, a minimum IELTS score of 5.0 or equivalent is required.

Academic Progression

Successful graduates of this programme are eligible to study towards a Masters degree in business at LSBM, or apply to enrol at academic institutions worldwide for entry into postgraduate qualifications.

Career Opportunities

Graduates possess highly sought after business skills and can effectively work in career areas such as: Finance, Accounting, Management and Marketing. Employers commonly regard the achievement of a degree as a good indicator of development potential, and university graduates are often fast tracked into management positions.
