Entry Requirements

- Successful graduates of the LSBM Foundation Programme or International Certificate in Computer Studies programmes or;
- Students who have a local or international qualification which is deemed by LSBM to be of a similar level to the LSBM Foundation Programme or International Certificate in Computer Studies programmes or;
- Students with at least one 'A' level or an appropriate school leaver's certificate or;
- Vocational experience which is deemed suitable by LSBM.
- Students should also have 'O' level/GCSE/iGCSE English and Maths or equivalent.
- For students whose first language is not English, a minimum IELTS score of 5.0 or equivalent is required.

Academic Progression

This programme is equivalent to the first year of a British Bachelor's degree, and successful graduates are eligible to remain at LSBM and enter the LSBM/Edexcel Advanced Diploma in Information Technology.

Career Opportunities

Graduates have a mix of technical and business skills, and are well suited to entry level IT positions.
