

# Advanced Professional Diploma in Management Studies (LSBM/Edexcel)

The Advanced Professional Diploma in Management Studies is ideal for students who want to develop a thorough understanding of the key principles of business. The programme is a popular choice for graduates who have not previously studied an undergraduate business degree. This qualification is recognised by the Newport Business School of the University of Wales, as an entry route to their MBA. The APDMS is also recognised by the Salford Business School of the University of Salford as a pathway to their Masters degree programmes.
