

Master of Business Administration

MBA

(University of Wales, Newport)

The Master of Business Administration is widely regarded as the most prestigious business qualification in the world. Graduates are highly sought after by employers for their knowledge, expertise and problem solving abilities, and the qualification is often used as a strong indicator of senior management or board level potential. The University of Wales, Newport has a respected Business School with established links to professional bodies such as the Chartered Management Institute (CMI), of which graduates can gain member status upon successful completion of the programme.
